From the Helm by Jim Jackson

Summer *officially* begins June 21st - although no one would know it based on the activity around the Club! The month of May has seen record attendance at the monthly functions, including, Happy Hours, Mother's Day Brunch, Wine Society gatherings, and looking at a potentially record-breaking Memorial Day weekend as well.

I hope that by the time you read this month's Docket everyone's Boat, Cottage, and RV have been brought back to full function and you are already enjoying your time at the Club.

We continue to have some issues with our Friday evening dining room reservations, and folks not sitting down at their reservation time. Please try and observe your reservation times in the dining room, as it does create a backlog of timely service and table availability.

The major damage to A & B docks should hopefully be finished by the printing of this Docket and our slips will be back in shape for North Shore members. We hope you have a happy June and Melanie and I look forward to seeing you at the Club!

The Social Scene is in Full Spring ... I Mean Full Swing!
by Melanie Jackson

The social scene at CCYC is in full swing for spring and there's lots of fun coming around the creek! The merry month of May brought us a wonderful Mother's Day brunch with record attendance and lots of new faces! Many thanks to the dynamic duo of Elmie Ruck and Connie Bradley; their efforts in organizing the décor, flowers, etc. made the brunch pretty and successful.

Please make special note of the upcoming events in the following event calendar where you will see we have a full social calendar and plenty of opportunities to get out and have some CCYC fun. Make your reservations soon for all of the Memorial Day festivities including the Fish Fry on Thursday and the picnic and fly-over on Saturday. Happy Hour is every Friday from 5-7, and please stay and dine. Ann and Dave, our new caterers, are awesome. There are still Happy Hour sponsorships available if you so desire. See Judy in the office and she will get yours scheduled.

Finally, the new CCYC SPF shirts are here and for sale with Judy. Protect your skin, support your club and have fun all at the same time! Jim and I look forward to seeing you soon at the Club. If you are new to our club, please introduce yourself to Jim and/or I and we'll get you plugged in.

Notes from the New Guy by Jeff Glover

We are off to a great start this year, but I wanted to remind the membership about some general rules as we approach our peak season. The pool area is a wonderful place to spend time with family and friends, but please be reminded that when you have guests at the pool, the member / host has to be present with them. There is no life guard on duty and the pool is open 24 hours a day...SO ENJOY and BE SAFE!

We have noticed several members being present in employee only areas such as: dry storage, the kitchen and behind the bar. These areas either have heavy equipment and it's a safety concern, or they are spaces that are controlled by the caterer and / or the club. For instance, the only individuals who need to be behind the bar are those individuals who hold the liquor license or the agent, and those servers with ABC licenses. Thank you for your help and assistance.

The office continues to receive several packages each day for several members, so please be sure to retrieve these packages as soon as you can. There simply is not enough room in the office area to hold and store packages. For those members who continue to use our address as a mailing address, remember you should be a legal resident of 3581 Bender's Ferry Road, Mount Juliet, TN. . As of June 1st, 2017 all non-permanent resident mail will be returned to sender.

New Guy Notes (cont'd) As Memorial Day weekend approaches, the Guest Dock is limited on availability. Please be sure to check with the office if you would like to reserve a slip at the Guest Dock. The NorthShore repairs will not be completed by the holiday weekend, so several of our members continue to use the slips at the Guest Dock.

Thank you for your patience and enjoy the upcoming Memorial Day holiday!!!
